I, Demetrius H. Williams, am 15 years of age, and my address is  
Det. Ladd <sup>English Woods</sup> - 1990 Knob C. Cincinnati, OHIO I have been cautioned by  
 \_\_\_\_\_ who has identified himself as a Blue Ash law enforcement officer, and he  
 has warned me:

WARNING

You have the right to the advice of a lawyer before and during any questioning. If you cannot afford a lawyer, one will be provided for you free before any questioning if you so desire.

I hereby state that I want to make a statement without a lawyer present. I willingly give up my right to have a lawyer present during the time I am questioned and during the time I answer those questions. I am willing to make the following statement to the above mentioned law enforcement officer, knowing that any statement I make may be used against me in court and that I have the right to stop answering questions at any time.

I declare that the following statement is made of my own free will without anyone having made any promises of any kind or offering me anything or any reward. I further state that no promises of leniency of any kind have been made in exchange for this statement.

I further state that I am able to read and write the English language, and I have completed 8 years of school.

I seen a black <sup>guy</sup> and white <sup>guy</sup> come out of the  
room; adding a woman on the floor shouting  
we helped her up. I looked in the room  
and this white man said I'm a doctor dent  
I turn my back and went back to my job.  
I know a guy that worked for us up here  
to light Blue shirt. And that all I seen.
